

Dear Aquilla,

I hope you're doing well!

It's been a while since we last connected. Some of our interns have been asking about the certificates, and they're finally on the way! Take a moment to pat yourself on the back and say, "I did this!" You've faced challenges head-on, and we truly appreciate the energy, leadership, and communication you brought to the team.

Every step you took was noticed, and remember—there's no place like Jackal! We'd love to see you return, perhaps as a trainer or coordinator for our interns, fellows, or apprenticeships. You're always welcome to reach out with any questions, anytime, however you like.

Your certificate is attached. As you celebrate your accomplishments this summer, let us know if you'd be interested in sharing your experiences with our new apprentices so they can learn from the challenges you overcame. The form of the interest or the reminder will be attached soon.

Now it's your time to shine, and Jackal will always be here to cheer you on, because as we say, "There's no home like Jackal!"

Looking forward to seeing you again,

The Jackal Tech Senior Team
