Place has
                been the King's Palace in Rwanda, and it has been nearby
home.
                This place Preserve our culture, and has the special cows
called
                "Inyambo".Inyambo has a great history in Rwanda, and they
have
                been used during the weeding as a sign of wealth. Not only
having Inyambo cows, it is a museum where the most of the
visitors go there to learn much about Rwandan Kingdom.
